TERMS AND CONDITIONS

Following are the terms and conditions under which this auction is held. Clients are advised to read fully before placing bids. The placing of a bid will be interpreted as full agreement to these conditions and any other terms which are contained in this catalogue:

JOHN BULL STAMP AUCTIONS LTD (hereinafter called 'The Auctioneer') exercises all reasonable care to ensure that all statements contained in lot descriptions are reliable and accurate and that each item, unless indicated otherwise, is genuine and authentic. However the statements are not intended to be, and are not to be taken to be, statements of fact in relation to the lot. They are statements of the opinion of the auctioneer, and attention is particularly drawn to Clause 5 set out below. Comments and opinions concerning the lot which may be found in or on lots as notes, lists, catalogue prices, writing up or any other means of expression, do not constitute part of lot descriptions and are not to be taken as such unless they are made or specifically verified by the Auctioneer. Lot descriptions containing the term 'Offered as is' denote that we have been unable to establish the authenticity of the item(s) offered. This does not necessarily imply that the items are not genuine but that we are not prepared to guarantee them as such. This fact has been taken into consideration in our estimates. Lots offered 'as is' are not returnable under any circumstances.

Clause 1
a) A buyers premium of 18% of sale price will be added to the hammer price of each lot.

b) Subject to clause (a) of this clause, the highest bidder for each lot shall be the purchaser thereof. If the lot is knocked down to a bidder from the floor the auctioneer will call out that bidder's card number after the fall of the hammer in confirmation that the lot has been purchased by that person.

c) The auctioneer reserves the right to bid on behalf of clients, but shall not be liable for any errors or omissions in the execution of such bids. Postal bidding forms are provided for the convenience of clients unable to attend the auction in person, the auctioneer will bid on behalf of postal/telephone/fax/e-mail bidders to the best of his ability but without any liability.

d) The auctioneer reserves the right to refuse any bid or bids without explanation.

e) The auctioneer reserves the right to refuse entry of any person or persons to the auction room without explanation and to request any person or persons to vacate the auction room without explanation.

f) Bids placed by telephone will only be accepted in exceptional circumstances. Telephone bids must be confirmed in writing, preferably before the auction. No liability will be accepted for any errors or omissions in the execution of telephone bids.

g) In the event of any dispute as to the highest bidder, the Auctioneer shall have absolute discretion to determine the dispute and may if he so decides (but not necessarily) put up again and resell the lot in respect of which the dispute arises.

Clause 2
a) The bidding and advances shall be regulated by and at the absolute discretion of the auctioneer.

b) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase money to the auctioneer and for safe delivery of the lots to the said client.
c) Where an agent bids, even on behalf of a disclosed client, the auctioneer nevertheless has the right at his discretion to refuse any such bid or bids.

Clause 3
a) The auctioneer reserves the right before or during a sale to group together lots belonging to the same vendor, to split up and to withdraw any lot or lots at the auctioneer's absolute discretion and without giving any reason in any case (without liability to any potential purchaser).

b) As lots are sometimes withdrawn after publication of the catalogue potential purchasers should check with the Auctioneer for the latest situation before making long journeys to attend the auction. The auctioneer will not be liable for any claims for travel or other expenses in respect of lots which have been withdrawn, combined or split up.

Clause 4
a) Each lot shall be at the purchaser's risk from the fall of the hammer and shall be paid for in full before delivery and taken away at his expense by a purchaser in Hong Kong within seven days from the date of the sale and for a purchaser overseas within fourteen days from presentation of invoice, or such longer time as shall be agreed in writing between the auctioneer and purchaser.

b) The auctioneer acts as agent between vendor and purchaser only and shall not be liable for any default of the purchaser (providing he has not handed over the goods) or vendor.

c) If any purchaser fails to pay in full for any lot within the time stated in sub clause (a) of this clause, such lot may at any time thereafter at the auctioneer's discretion be put up for sale by auction again or sold privately; if upon such re-sale a lower price is obtained than was obtained on the first sale the purchaser in default on the first sale shall make good the difference in price and the expenses of resale, which shall become a debt due from him.

d) Accounts not settled within thirty days after the date of the auction shall be liable to interest charges at the rate of two per cent per calendar month. Such interest may be waived at the auctioneer's discretion. for any claims for travel or other expenses in respect of lots which have been withdrawn, combined or split up.

Clause 5
a) Unless comprising four or more items (in which case no such warranty is given) and subject to clause 5 (b) of these conditions each lot is sold as genuine, unless otherwise described in the catalogue, and correctly described. The date of any certificate forming part of the description of the lot will be included in the description.

b) A purchaser shall be at liberty to reject any lot, comprising three or less items, only if he has made payment therefor in accordance with provision of Clause 4 above and if he (i) gives the auctioneer written notice of intention to question the genuineness or, as the case may be, the accuracy of description of the lot within seven days (or in the case of an overseas purchaser to be in the auctioneer's hands within 21 days) of the date of the sale; AND (ii) proves that the lot is not genuine or was incorrectly described; AND (iii) returns to the auctioneer within 30 days from the date of the sale the lot in the same condition as it was at the time of the sale; provided that the auctioneer may, at his discretion on receiving a request in writing from the purchaser, extend for a reasonable period the time for return of the lot to enable it to be submitted to expertisation. Where a lot has been so submitted, all costs of such expertisation shall be paid by the person who retains the certificate and item(s) to which such certificate relates. The onus and cost of proving a lot to be not genuine or incorrectly described is on the purchaser. The inability of any recognised expert

or expert committee to express a definite opinion shall serve to discharge the onus on the purchaser and shall be a ground for rejection of the lot concerned.

c) Warranty against Defect : The Company denies any warranty of the authenticity and/or quality of any Lot. Any descriptions, statements and comments in connection with the Lot provided by the Company shall be for information only and in no way shall they institute any warranty of the authenticity and/or quality of the Lot. All Lots are sold "as is". The Bidder and/or its agent shall bear the responsibility of inspecting the Lot in person or through experts designated thereby and shall be legally liable for its bid for any Lot. By bidding at an auction held by the Company, the Bidder shall be deemed to have fully inspected the Lot in which they are interested in terms of authenticity and quality thereof and have satisfied themselves as to condition and value of the Lot. By bidding at auction the Bidder acknowledges that he is willing to bear any possible risk in bidding and that he has waived the rights of challenging the authenticity and/or quality of the Lot.

d) Where the purchaser of a lot discharges such onus of proof and acts in accordance with sub clause (b) of this clause, the Auctioneer shall set aside the sale and repay to the purchaser the purchase money paid by him in respect of the lot.

e) No lot shall be rejected if, subsequent to the sale, it has been marked or treated by any process whatsoever unless the Auctioneer's permission to subject the lot to such marking or treatment has first been obtained in writing.

f) Any lots comprising four or more items, or miscellaneous lots containing items which are undescribed, shall be put up for sale not subject to rejection and shall be taken by the purchaser with all (if any) fault, lack of genuineness and errors of description and numbers of items in the lot and the purchaser shall have no right to reject any such lot; save that, notwithstanding the foregoing provisions of this sub clause, where before a sale a person intending to bid at the sale, gives notice in writing to and satisifes the Auctioneer that any such lot contains any item or items undescribed in the sale catalogue and that person specifically described that item or those items in that notice, then that item or those items shall, as between the Auctioneer and that person, be taken to form part of the description of the lot for the purpose of sub clauses (a), (b) & (c) of this clause.

g) The auctioneer reserves the right to cancel any bid with request for extension (notifying the bidder of his action) if in his opinion the item would not receive a satisfactory certificate or is not as described within the terms of the request for extension.

h) All extensions for the purpose of expertisation must be cleared within two months of the auction, after which time the right of return is forfeited, unless a longer period of extension is agreed in writing by the Auctioneer.

i) No lot illustrated in the catalogue shall be rejected on the ground of characteristics clearly apparent from the illustration.

j) The descriptions in the catalogue are statements of opinion and do not constitute any guaranty or warranty. The buyer may return any lot that is misdescribed, so long as the buyer notifies John Bull of his intention to return the lot and the reason for the return within 7 days of his receipt of the lot (but in no event later than 30 days after the auction), so returns the lot within 7 days thereafter and the lot is received by The Auctioneer in its original condition and has not been altered. If The Auctioneer disagrees with the proposed return, the item may, at The Auctioneer's option, be submitted for expertisation in accordance with clause (k) at the buyer's expense (except if the item receives a negative opinion, the buyer shall not be responsible for such expertisation cost). Notwithstanding the foregoing, lots that are illustrated in the catalogue may not be returned for centering, margins, short or blunted perorations, or other details visible from the illustration, nor may lots be returned because the colour does not match the colour reproduction in the auction catalogue or on the website. Lots described as having any fault or defect also may not he returned for any faults that were not described. No lots may be returned for any reason whatsoever after thirty (30) days from the auction, except for lots put on extension per clause (k). In addition, the following lot may not be returned for any reason: (a) lots containing 5 or more stamps or items (other than a set of stamps) and (b) lots offered "as is".

k) The buyer may only return a lot on the basis that it is not genuine if the item is placed on extension and the item receives an opinion that it is not genuine from the expertiser, all in accordance with this clause. Buyers who wish to get an expert opinion on an item must (a) notify The Auctioneer in writing within 20 days after the auction that the item is to be expertised and any expert that the buyer proposes the item to be submitted to, and (b) pay for the lot in full at the time of the expertisation request. The items will be submitted to an expert chosen by The Auctioneer in consultation with the buyer for expertisation under this clause (k). The buyer shall be responsible for all costs for the expert opinion, except if the item receives an adverse opinion and the sale is cancelled. If the expert issues an adverse opinion that the item is not as described in the auction catalogue, the sale will be cancelled and the buyer will be refunded the purchase price (hammer price plus buyer's premium) for the lot. Lots containing 5 or more stamps or items (other than a set of stamps) and lots offered "as is" may not be returned for any reason as provided in Clause (j). Items with an expert certificate dated within the last five years are not subject to return for reason of genuineness or any other reason, nor will any item described as have any fault or defect be returnable for any faults mentioned in the expert opinion that were not described. No lot will be accepted as a return from expertisation if the item is indelibly marked as altered or fraudulent by the expertiser.

Clause 6
The respective rights and obligations of the parties shall be governed and interpreted by Hong Kong SAR law, and the buyer hereby submits to the non exclusive jurisdiction of the Hong Kong Courts.

國際榮譽大獎及大金獎郵集精選

蔡國雄先生（Patrick　Choy），祖籍福建晉江及台灣梧棲，生於香港，現為新加坡籍，是享譽國際的企業領袖、橋牌界翹楚及著名集郵家。

蔡先生早年於全球知名通訊企業摩托羅拉（Motorola）任職多年，歷任總部及亞太地區多項高級管理職務，並於2003年以全球資深副總裁身份榮休。其後，他先後出任多家上市公司主席及董事，並曾擔任邦基（Bunge）、摩托羅拉、南豐集團、飛思卡爾（Freescale）、吉寶集團（Keppel）及淡馬錫（Temasek）等國際大型企業的顧問，在國際商界具有深厚資歷及廣泛影響力。

自1980年代起，蔡先生積極參與並推動中國與國際社會的交流。1981年，他籌辦的國際橋牌賽事促成了海峽兩岸代表歷史性的正式交流，成為當時備受矚目的盛事。他亦積極推動摩托羅拉進入中國市場，為中國改革開放初期的外商投資與產業發展作出重要貢獻。憑藉其多年來的卓越成就，蔡先生於2003年獲委任為中國人民政治協商會議全國委員會委員，成為首批獲此殊榮的跨國企業高級管理人員之一。

除商界成就外，蔡先生在國際橋牌界亦享有崇高聲望。他是世界大師級橋牌選手，曾多次於重要賽事中取得佳績，並自1998年起長期擔任世界橋牌聯盟副主席，亦獲選為世界橋牌聯盟榮譽委員會成員，以表彰其對國際橋牌運動發展的傑出貢獻。自2016年起，蔡先生逐漸淡出商界及公共事務，將更多心力投入橋牌與集郵兩大畢生所愛。

在被譽為「王者之癖」的集郵領域，蔡先生的成就同樣卓越。他不僅是國際集郵聯合會（FIP）及亞洲集郵聯合會（FIAP）認可的國際郵展評審，亦是英國皇家集郵協會會士，並曾於2012至2023年間擔任新加坡集郵總會副會長。他以中國銀圓郵票及郵政史為主要研究領域，憑藉數十年來鍥而不捨的蒐集、考證與研究，在國際集郵界建立了極高聲譽。

2003年，蔡先生首次參加亞洲國際郵展即榮獲金獎，此後屢創佳績。2014至2025年間，其三部銀圓專題郵集及郵學著作在世界及亞洲國際郵展中合共榮獲15項大金獎，成績斐然。尤為矚目的是，2023年德國世界郵展上，其研究著作《銀圓郵票》（Silver Yuan Stamps）榮獲文獻類大金獎及特別獎，充分肯定其在中國近代郵學研究上的卓越貢獻。

2025年泰國亞洲國際郵展，蔡先生再創輝煌，其展品《中國單位、基數及銀圓郵票》（Unit, Basic and Silver Yuan Stamps of China）勇奪國際榮譽大獎（Grand Prix d'Honneur），躋身國際集郵界最高榮譽得主之列。蔡先生更是全球極少數能夠在傳統集郵、郵政史及集郵文獻三大不同組別均榮獲國際大金獎的傑出集郵家，其成就足以成為後學典範。

布約翰郵票拍賣有限公司（John Bull Stamp Auctions Limited）深感榮幸，獲蔡國雄先生委託，隆重呈獻其榮獲國際榮譽大獎及三部大金獎郵集中的部分珍貴郵品。

The Prestigious Collection of Mr. Patrick Choy

Selections from His Grand Prix d'Honneur and Large Gold Medal Exhibits

Mr. Patrick Choy, with ancestral roots in Jinjiang, Fujian, and Wuqi, Taiwan, was born in Hong Kong and holds Singaporean citizenship. A distinguished international business leader, an accomplished bridge player and a world-renowned philatelist, Mr. Choy has achieved remarkable distinction across the fields of business, bridge and philately.

Mr. Choy enjoyed an illustrious career with Motorola, holding numerous senior executive positions at its corporate headquarters and throughout the Asia-Pacific region before retiring in 2003 as Senior Corporate Vice President. Following his retirement, he served as Chairman and Director of several publicly listed companies, as well as an adviser to major international corporations, including Bunge, Motorola, Nan Fung Group, Freescale, Keppel Corporation and Temasek. His distinguished career reflects decades of leadership and influence in the international business community.

Since the 1980s, Mr. Choy has played an important role in promoting exchanges between China and the international community. In 1981, he organised a landmark international bridge tournament that brought representatives from Mainland China and Taiwan together in a historic encounter. He was also instrumental in facilitating Motorola's entry into the Chinese market, contributing significantly to the development of foreign investment during China's era of economic reform and opening-up. In recognition of his contributions, Mr. Choy was appointed to the National Committee of the Chinese People's Political Consultative Conference (CPPCC) in 2003, becoming one of the first senior executives of a multinational corporation to receive this distinction.

Beyond his achievements in business, Mr. Choy has earned an exceptional reputation in the international bridge community. A World Master bridge player and winner of numerous major championships, he served for more than two decades as Vice President of the World Bridge Federation, having first been elected to the position in 1998. He was also appointed to the Federation's prestigious Committee of Honour in recognition of his outstanding contributions to the development of bridge worldwide. Since 2016, Mr. Choy has gradually stepped back from his business and public responsibilities to devote more time to his lifelong passions for bridge and philately.

In the world of philately, traditionally celebrated as the King of Hobbies and the Hobby of Kings, Mr. Choy has attained equally remarkable distinction. He is an accredited international philatelic juror of the Fédération Internationale de Philatélie (FIP) and the Federation of Inter-Asian Philately (FIAP), a Fellow of the Royal Philatelic Society London (FRPSL), and a former Vice President of the Association of Singapore Philatelists (2012 – 2023). His lifelong dedication to the collection and scholarly study of China's Silver Yuan stamps and postal history has established him as one of the leading authorities in this specialised field.

Mr. Choy made his international exhibition debut at the 2003 Asian International Stamp Exhibition, where he was immediately awarded a Gold Medal. His achievements continued to reach new heights in the following decades. Between 2014 and 2025, his three Silver Yuan exhibits and philatelic publications collectively received an extraordinary 15 Large Gold Medals at World and Asian International Stamp Exhibitions.

Among these distinctions, his acclaimed publication, Silver Yuan Stamps, received a Large Gold Medal and a Special Prize in the Literature Class at the 2023 World Stamp Exhibition in Germany, representing exceptional international recognition of his scholarly contribution to Chinese philately.

In 2025, Mr. Choy achieved another milestone at the Thailand 2025 Asian International Stamp Exhibition, where his exhibit, Unit, Basic and Silver Yuan Stamps of China, was awarded the coveted Grand Prix d'Honneur, one of the most prestigious distinctions in international competitive philately. Furthermore, Mr. Choy belongs to an exceptionally select group of philatelists who have achieved international Large Gold Medals across all three major disciplines of Traditional Philately, Postal History and Philatelic Literature — an extraordinary testament to the breadth and depth of his philatelic knowledge and research.

John Bull Stamp Auctions Limited is deeply honoured to have been entrusted by Mr. Patrick Choy with the sale of selected philatelic treasures from his Grand Prix d'Honneur exhibit and three internationally acclaimed Large Gold Medal collections.

These exceptional items represent far more than rare stamps and postal history. They embody decades of meticulous collecting, original research and scholarly dedication by one of the world's most distinguished philatelists. Each item carries its own historical significance, philatelic importance and distinguished provenance.

We extend our sincere gratitude to Mr. Choy for placing his trust in John Bull Stamp Auctions and for giving fellow collectors the opportunity to appreciate and acquire these remarkable treasures. It is our privilege to present selections from these celebrated collections to the international philatelic community, offering discerning collectors a rare opportunity to acquire items of exceptional provenance and to share in the legacy of Mr. Choy's outstanding achievements.

解放區沿用

為減輕民眾因政權更迭而蒙受的經濟損失，並儘速恢復郵政服務，各地軍事管制委員會在解放初期，曾允許於解放區內短暫沿用銀圓郵資及郵票，過渡期通常不超過解放後兩週。這些存世稀少的過渡時期郵品，不僅反映當時郵政制度的特殊安排，更是見證國民政府郵政終結與人民郵政建立的重要歷史實物。

以下拍品精選自蔡國雄先生榮獲2016年亞洲國際郵展大金獎的專題郵集《解放區內金銀圓郵史》，充分展現中國近代郵政制度交替時期的獨特歷史與郵學價值。

To minimise the economic losses suffered by the public during the change of administration and to facilitate the prompt restoration of postal services, the Military Control Commissions permitted the temporary continued use of Silver Yuan postage rates and stamps in newly liberated areas, generally for no more than two weeks following liberation. These exceptionally scarce transitional postal items bear witness to a pivotal chapter in Chinese postal history, marking the end of the Nationalist postal administration and the emergence of the People's Postal Service.

The following lots are selected from Mr. Patrick Choy's exhibit, Gold and Silver Yuan Postal History in the Liberated Areas, which was awarded a Large Gold Medal at the 2016 Asian International Stamp Exhibition. These remarkable items offer valuable insights into one of the most significant transitional periods in modern Chinese postal history.
