TERMS AND CONDITIONS

Following are the terms and conditions under which this auction is held. Clients are advised to read fully before placing bids. The placing of a bid will be interpreted as full agreement to these conditions and any other terms which are contained in this catalogue:

JOHN BULL STAMP AUCTIONS LTD (hereinafter called 'The Auctioneer') exercises all reasonable care to ensure that all statements contained in lot descriptions are reliable and accurate and that each item, unless indicated otherwise, is genuine and authentic. However the statements are not intended to be, and are not to be taken to be, statements of fact in relation to the lot. They are statements of the opinion of the auctioneer, and attention is particularly drawn to Clause 5 set out below. Comments and opinions concerning the lot which may be found in or on lots as notes, lists, catalogue prices, writing up or any other means of expression, do not constitute part of lot descriptions and are not to be taken as such unless they are made or specifically verified by the Auctioneer. Lot descriptions containing the term 'Offered as is' denote that we have been unable to establish the authenticity of the item(s) offered. This does not necessarily imply that the items are not genuine but that we are not prepared to guarantee them as such. This fact has been taken into consideration in our estimates. Lots offered 'as is' are not returnable under any circumstances.

Clause 1

a) A buyers premium of 18% of sale price will be added to the hammer price of each lot.

b) Subject to clause (a) of this clause, the highest bidder for each lot shall be the purchaser thereof. If the lot is knocked down to a bidder from the floor the auctioneer will call out that bidder's card number after the fall of the hammer in confirmation that the lot has been purchased by that person.

c) The auctioneer reserves the right to bid on behalf of clients, but shall not be liable for any errors or omissions in the execution of such bids. Postal bidding forms are provided for the convenience of clients unable to attend the auction in person, the auctioneer will bid on behalf of postal/telephone/fax/e-mail bidders to the best of his ability but without any liability.

d) The auctioneer reserves the right to refuse any bid or bids without explanation.

e) The auctioneer reserves the right to refuse entry of any person or persons to the auction room without explanation and to request any person or persons to vacate the auction room without explanation.

f) Bids placed by telephone will only be accepted in exceptional circumstances. Telephone bids must be confirmed in writing, preferably before the auction. No liability will be accepted for any errors or omissions in the execution of telephone bids.

g) In the event of any dispute as to the highest bidder, the Auctioneer shall have absolute discretion to determine the dispute and may if he so decides (but not necessarily) put up again and resell the lot in respect of which the dispute arises.

Clause 2

a) The bidding and advances shall be regulated by and at the absolute discretion of the auctioneer.

b) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase money to the auctioneer and for safe delivery of the lots to the said client.

c) Where an agent bids, even on behalf of a disclosed client, the auctioneer nevertheless has the right at his discretion to refuse any such bid or bids.

Clause 3

a) The auctioneer reserves the right before or during a sale to group together lots belonging to the same vendor, to split up and to withdraw any lot or lots at the auctioneer's absolute discretion and without giving any reason in any case (without liability to any potential purchaser).

b) As lots are sometimes withdrawn after publication of the catalogue potential purchasers should check with the Auctioneer for the latest situation before making long journeys to attend the auction. The auctioneer will not be liable for any claims for travel or other expenses in respect of lots which have been withdrawn, combined or split up.

Clause 4

a) Each lot shall be at the purchaser's risk from the fall of the hammer and shall be paid for in full before delivery and taken away at his expense by a purchaser in Hong Kong within seven days from the date of the sale and for a purchaser overseas within fourteen days from presentation of invoice, or such longer time as shall be agreed in writing between the auctioneer and purchaser.

b) The auctioneer acts as agent between vendor and purchaser only and shall not be liable for any default of the purchaser (providing he has not handed over the goods) or vendor.

c) If any purchaser fails to pay in full for any lot within the time stated in sub clause (a) of this clause, such lot may at any time thereafter at the auctioneer's discretion be put up for sale by auction again or sold privately; if upon such re-sale a lower price is obtained than was obtained on the first sale the purchaser in default on the first sale shall make good the difference in price and the expenses of resale, which shall become a debt due from him.

d) Accounts not settled within thirty days after the date of the auction shall be liable to interest charges at the rate of two per cent per calendar month. Such interest may be waived at the auctioneer's discretion. for any claims for travel or other expenses in respect of lots which have been withdrawn, combined or split up.

Clause 5

a) Unless comprising four or more items (in which case no such warranty is given) and subject to clause 5 (b) of these conditions each lot is sold as genuine, unless otherwise described in the catalogue, and correctly described. The date of any certificate forming part of the description of the lot will be included in the description.

b) A purchaser shall be at liberty to reject any lot, comprising three or less items, only if he has made payment therefor in accordance with provision of Clause 4 above and if he (i) gives the auctioneer written notice of intention to question the genuineness or, as the case may be, the accuracy of description of the lot within seven days (or in the case of an overseas purchaser to be in the auctioneer's hands within 21 days) of the date of the sale; AND (ii) proves that the lot is not genuine or was incorrectly described; AND (iii) returns to the auctioneer within 30 days from the date of the sale the lot in the same condition as it was at the time of the sale; provided that the auctioneer may, at his discretion on receiving a request in writing from the purchaser, extend for a reasonable period the time for return of the lot to enable it to be submitted to expertisation. Where a lot has been so submitted, all costs of such expertisation shall be paid by the person who retains the certificate and item(s) to which such certificate relates. The onus and cost of proving a lot to be not genuine or incorrectly described is on the purchaser. The inability of any recognised expert

or expert committee to express a definite opinion shall serve to discharge the onus on the purchaser and shall be a ground for rejection of the lot concerned.

c) **Warranty against Defect** : The Company denies any warranty of the authenticity and/or quality of any Lot. Any descriptions, statements and comments in connection with the Lot provided by the Company shall be for information only and in no way shall they institute any warranty of the authenticity and/or quality of the Lot. All Lots are sold "as is". The Bidder and/or its agent shall bear the responsibility of inspecting the Lot in person or through experts designated thereby and shall be legally liable for its bid for any Lot. By bidding at an auction held by the Company, the Bidder shall be deemed to have fully inspected the Lot in which they are interested in terms of authenticity and quality thereof and have satisfied themselves as to condition and value of the Lot. By bidding at auction the Bidder acknowledges that he is willing to bear any possible risk in bidding and that he has waived the rights of challenging the authenticity and/or quality of the Lot.

d) Where the purchaser of a lot discharges such onus of proof and acts in accordance with sub clause (b) of this clause, the Auctioneer shall set aside the sale and repay to the purchaser the purchase money paid by him in respect of the lot.

e) No lot shall be rejected if, subsequent to the sale, it has been marked or treated by any process whatsoever unless the Auctioneer's permission to subject the lot to such marking or treatment has first been obtained in writing.

f) Any lots comprising four or more items, or miscellaneous lots containing items which are undescribed, shall be put up for sale not subject to rejection and shall be taken by the purchaser with all (if any) fault, lack of genuineness and errors of description and numbers of items in the lot and the purchaser shall have no right to reject any such lot; save that, notwithstanding the foregoing provisions of this sub clause, where before a sale a person intending to bid at the sale, gives notice in writing to and satisfies the Auctioneer that any such lot contains any item or items undescribed in the sale catalogue and that person specifically described that item or those items in that notice, then that item or those items shall, as between the Auctioneer and that person, be taken to form part of the description of the lot for the purpose of sub clauses (a), (b) & (c) of this clause.

g) The auctioneer reserves the right to cancel any bid with request for extension (notifying the bidder of his action) if in his opinion the item would not receive a satisfactory certificate or is not as described within the terms of the request for extension.

h) All extensions for the purpose of expertisation must be cleared within two months of the auction, after which time the right of return is forfeited, unless a longer period of extension is agreed in writing by the Auctioneer.

i) No lot illustrated in the catalogue shall be rejected on the ground of characteristics clearly apparent from the illustration.

j) **The descriptions in the catalogue are statements of opinion and do not constitute any guaranty or warranty. The buyer may return any lot that is misdescribed, so long as the buyer notifies John Bull of his intention to return the lot and the reason for the return within 7 days of his receipt of the lot (but in no event later than 30 days after the auction), so returns the lot within 7 days thereafter and the lot is received by The Auctioneer in its original condition and has not been altered. If The Auctioneer disagrees with the proposed return, the item may, at The Auctioneer's option, be submitted for expertisation in accordance with clause (k) at the buyer's expense (except if the item receives a negative opinion, the buyer shall not be responsible for such**

expertisation cost). Notwithstanding the foregoing, lots that are illustrated in the catalogue may not be returned for centering, margins, short or blunted perforations, or other details visible from the illustration, nor may lots be returned because the colour does not match the colour reproduction in the auction catalogue or on the website. Lots described as having any fault or defect also may not be returned for any faults that were not described. No lots may be returned for any reason whatsoever after thirty (30) days from the auction, except for lots put on extension per clause (k). In addition, the following lot may not be returned for any reason: (a) lots containing 5 or more stamps or items (other than a set of stamps) and (b) lots offered "as is".

k) The buyer may only return a lot on the basis that it is not genuine if the item is placed on extension and the item receives an opinion that it is not genuine from the expertiser, all in accordance with this clause. Buyers who wish to get an expert opinion on an item must (a) notify The Auctioneer in writing within 20 days after the auction that the item is to be expertised and any expert that the buyer proposes the item to be submitted to, and (b) pay for the lot in full at the time of the expertisation request. The items will be submitted to an expert chosen by The Auctioneer in consultation with the buyer for expertisation under this clause (k). The buyer shall be responsible for all costs for the expert opinion, except if the item receives an adverse opinion and the sale is cancelled. If the expert issues an adverse opinion that the item is not as described in the auction catalogue, the sale will be cancelled and the buyer will be refunded the purchase price (hammer price plus buyer's premium) for the lot. Lots containing 5 or more stamps or items (other than a set of stamps) and lots offered "as is" may not be returned for any reason as provided in Clause (j). Items with an expert certificate dated within the last five years are not subject to return for reason of genuineness or any other reason, nor will any item described as have any fault or defect be returnable for any faults mentioned in the expert opinion that were not described. No lot will be accepted as a return from expertisation if the item is indelibly marked as altered or fraudulent by the expertiser.

Clause 6

第6246到6298A項拍品是澳門利冠棉老師收藏的澳門早期圖片明信片。利老師于2008年出版發行了《19-20世紀明信片中的澳門》，作為“圖說澳門”叢書中其中一部巨著，收藏範圍包含了澳門半島的全景、關閘、海岸、廟宇、教堂、街道、公園，到澳門人民的生活和軍事等各種圖案和不同版式的明信片，其中部分經過郵政寄遞，彰顯歷史價值。這些明信片這次聚集一堂，在布約翰拍賣中呈現給熱情的收藏家們，是一次難得的收藏盛宴，希望大家熱烈參與。
